## **RESPONSES TO MY SURVEY QUESTION:**

***“What did you like most about working with your Real Estate Agent, Christine?”***

Her willingness to share knowledge! I was a 1st time buyer and intimidated by the whole process. Christine provided written material as well as a willingness to verbally explain ALL my questions no matter how redundant! 10/20/2020

Honest and more information I learned a lot about area and marketing. 10/16/2020

Christine is honestly so wonderful, friendly, caring, and professional. We couldn't have asked for a better realtor. She was with us every step of the way, answered any and every question we had, and made buying our home easy. She went way beyond her job to make sure we were more than satisfied. Buying a home is said to be one of the most stressful times in your life, and Christine made it easy even with 3 kids and homeschooling. 7/9/2019

I had no experience, but she helped me a lot. 5/9/2019

Hi, Christine! Thank you very much for helping me. You know, I am not very good with technology, but you tried to explain to me on Video Relay. You did a good job. You tried to make me not to worry. I am so happy that my good friends Marleny and Larry have their own first house. God bless you and your company! 🙌🏡🌴🙌🏡 4/30/2019

Dear Christine,

We want you to know how much you have been a blessing to us over these last few months. All of the bumps, the chaos, the uncertainties, you have remained calm and unwavering. Thank you for your example and your trusting in God to see this through. Thank you for all the ways you went above and beyond. The persistent phone calls to see things through completion. The steady follow ups to keep everyone on track and up to speed. You are very good at your job, have wonderful people skills and tactful communication. We are so very happy to finally call "The paw-per-tee" (Ezra words), our own. We look forward to making a farm for our family and to share with others to honor God. Thank you for really helping us make our dreams become a reality. All your hard diligent work paid off and we cannot thank you enough. Oh, and thank you for being a listening ear for venting sessions. ;)

Love, Seth & Jess

My complex business transaction was handled with precision, expertise and personal attention above and beyond our expectations. Christine will handle every one of our future real estate needs.

Christine was referred to me by family. I was surprised to find that she not only helped me purchase what i was looking for, but that the sellers were very happy with the deal as well. I attribute this kind of success to her knowledge of the market. She doesn't tell you what you want to hear. She tells you what you need to hear---No empty promises! Christine is my Realtor and my friend!

Christine is a very professional and organized person, not only as a Realtor, but as an individual person as well. She is, and was for us on top of all listings. We got to see the home we bought on the 3rd day it was on the market. Christine also helped us look the home over inside and outside. She was very informative and helpful in so many different ways. We have and do recommend her to people and relatives.

Dear Christine, I just wanted to thank you for all the help in finding our family a home. You worked very well and took our requests into consideration, showing us various options and being open and up front with us. We'd also like to thank you for your patience and persistence in working with our lender and all of the craziness that went along with that.

We pray that you will do well in the future with helping others find a home of their own, and if there is ever anything we can do for you, please let us know. I know that we will definitely recommend you to anyone we hear may be looking for a home.
